

## Botanical Extracts

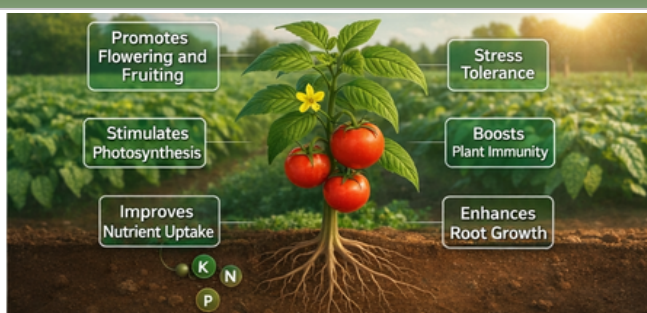

**Product Type** : Plant Growth Promoting Biostimulant  
**Botanical Source:** : *Adhatoda vasica*  
**Mode of Use** : Foliar Spray or Soil Application

### PRODUCT DESCRIPTION

Cropsia™ is a plant-derived biostimulant based on *Adhatoda vasica* extract. It enhances nutrient assimilation, stimulates metabolic processes, and promotes root and shoot growth for sustainable agriculture.

### MECHANISM OF ACTION

### APPLICATION & DOSAGE

|                    |                       |
|--------------------|-----------------------|
| Foliar Spray       | 2 - 3 mL per litre    |
| Soil Application   | 500 - 750 mL per acre |
| Repeat Application | Every 10 - 15 days    |

**TARGET CROPS:** Rice, wheat, maize, millets, pulses, oilseeds, cotton, sugarcane, vegetables, fruits, spices, plantation crops including banana, coconut, coffee, tea, grapes, citrus, mango, and other horticultural crops.

### KEY BENEFITS

Enhanced Plant Growth

Bioactive Compounds

Improved Nutrient Uptake

Early Crop Establishment

Stress Tolerance Support

Eco-Friendly PGP

Disease & Pest Protection

Improved Yield & Quality

### TECHNICAL SPECIFICATIONS

| Parameter          | Specification                       |
|--------------------|-------------------------------------|
| Active Ingredient  | <i>Adhatoda vasica</i> Extract      |
| Formulation Type   | Soluble Liquid                      |
| Application Method | Foliar Spray                        |
| Solubility         | Completely Soluble in Water         |
| Appearance         | Dark Brown color Liquid             |
| Shelf Life         | 24 months under recommended storage |

### STORAGE & HANDLING

Store in a cool, dry place

Keep container sealed after use

Protect from direct Sunlight and Moisture

Avoid contact with Chemicals

### SAFETY INFORMATION

Wear gloves and mask during application

Wash hands after use

Avoid inhaling dust during handling

Keep out of reach of children
